

ABRIDOR

Outdoor LED surface-mounted wall light IP55 anthracite 3000/4000K

The aluminium luminaires in the ABRIDOR family provide solutions for the wall light and floor stand area. Thanks to its IP55 protection class, the luminaires are suitable for outdoor use. The electrical connection is made directly to the 230V mains power supply. The unusual lamp head means that the built-in LED has particularly wide light distribution.
