

BOOKAT

anthracite wall-mounted light, 15W 3000/4000K

The BOOKAT is an unusual outdoor wall-mounted light for a special effect and in the colour anthracite. This has a permanently installed light source and can be changed between 3,000 and 4,000 Kelvin by means of a CCT switch. The IP65 protection class makes it ideal for outdoor use. The BOOKAT family includes a wall light. The poles can be used universally due to the open cable end.
