

PARA CONE GL GU10

white / transparent 1-phase spot

The conically shaped reflector of the PARA CONE GL GU-10 provides a particularly warm lighting effect. The family can be individually combined into a cloud of light with a wide range of colours and sizes. The 1-phase system light is installed conventionally on the busbar system, which makes it flexibly positionable as well as rotatable and pivoting. And last but not least, the housing made of aluminium and glass impresses with its robust quality. When will you test out the benefits of SLV's impressive indoor lights?

TECHNICAL DATA

Item no.:	1006156
Socket	GU10
Number of sockets	1
Primary nominal voltage	220-240V ~50/60Hz mA/V
Tilt range	90 °
Horizontal rotation range	300 °
Height	22 cm
Diameter	13.5 cm
Net weight	0.45 kg
Gross weight	0.482 kg
IP Code	IP 20
Safety class	I
Assembly	Surface
Assembly details	Track Ceiling, Track Wall
Wattage	25 W
Color	white
BIG WHITE Page	472
