

GRAFIT E27 30 Pole round

anthracite free-standing lamp

The GRAFIT 30 floor light made of aluminium profile convinces with its special effect. The lampshades consist of a satinised acrylic in a grey smoked glass look, which however disappears when switched on. The IP44 protection class makes it ideal for outdoor use. The GRAFIT family also includes wall lights and poles in different heights. In addition to the round shapes, edged models are also available. All versions can be equipped with E27 lamps in individual light colours. The poles can be used universally due to the open cable end. An optional ground spike is available for easy assembly.

TECHNICAL DATA

Item no.:	1006180
Socket	E27
Number of sockets	1
Primary nominal voltage	220-240V ~50/60Hz mA/V
Height	30 cm
Diameter	8.8 cm
Net weight	0.752 kg
Gross weight	0.985 kg
IP Code	IP 44
Safety class	I
Assembly	Surface
Assembly details	Ground
Wattage	11 W
Color	anthracite
Minimum ambient temperature	-20 °C
Maximum ambient temperature	45 °C
BIG WHITE Page	518
