

RUSTY CONE 70

outdoor floor stand, TC-DSE, IP54, round, rusted steel, Ø/H 15/70 cm, max. 11W

The directly radiating floor stands of the RUSTY CONE series convince by their exceptional rust look. This is achieved by a special chemical treatment of the FeCSi steel used. This makes the luminaire a unique piece and an absolutely special feature wherever they are installed. It is suitable for use outdoors thanks to its IP54 protection class. As an option an earth spike as well as a connection box for safe electrical connection to the round luminaire upright, are available. The connection of the two versions available is made to the 230V mains supply. The RUSTY CONE series also contains floor stands and can therefore be used universally.
