

QUADRASS SPOT

indoor surface-mounted wall light with LED spotlight and E27 socket, white

The QUADRASS SPOT wall light impresses with a successful combination of metal and glass elements and, as well as being the main light source, it is equipped with an LED reading light with a warm white light colour. With the beam angle selected for the LED reading light, it is almost glare-free and thereby ensures a comfortable light which relaxes the user. The E27 socket behind the glass lampshade and the built-in LED driver make the QUADRASS SPOT ready for direct connection to the 230V mains power supply. In order to make the picture of the application as uniform as possible, wall lights without a reading light and a pendant are available.

TECHNICAL DATA

Item no.:	1003429
Socket	E27
Number of sockets	1
Primary nominal voltage	100-240V ~50/60Hz mA/V
Secondary power / secondary voltage	700mA
Width	9.5 cm
Height	32 cm
Depth	13.5 cm
Net weight	1.435 kg
Gross weight	1.942 kg
Safety class	I
Assembly	Surface
Assembly details	Wall
Wattage	2 W
Lumen	200 lm
Colour temperature	3000 Kelvin
Beam angle	25 °
Color	white
CRI	80
LXXBXX data	L70B50
Minimum ambient temperature	-20 °C
Maximum ambient temperature	40 °C
