

## GRAFIT WL

outdoor wall light, TC-DSE, IP44, anthracite, energy-saving lamp, max. 11W

The aluminium-made wall light GRAFIT WL convinces by its special effect. The lamp shades are made from frosted plastic held in smoked-grey glass look, that disappears in the on mode. Thereby, the fitting visually comes in two different forms. It is suitable for use outdoors thanks to its IP44 protection class. The GRAFIT series also contains floor stands and can therefore be used universally.
