outdoor recessed wall light, LED, 3000K, IP55, anthracite, 15,4W

The ADI recessed wall light is made of aluminium and is fitted with powerful premium LEDs. It has an indirect, glare-free light outlet which points downwards. The curved design was developed by the designer, David Morgen. Thanks to its IP55 protection class, the luminaire is suitable for outdoor use. The electrical connection to the luminaire can be made with 100-277V. For easy installation, we recommend the appropriate mounting pot as an accessory.
