

Staying high and dry.

We're taking mat performance to new heights. ULTRA Dry PCR PET is constructed from the same high-quality yarns as our toughest mat line, but in lighter-finished weights for extra air circulation that promotes faster drying.

ULTRA DRY®

53 oz. Ribbed Post-Consumer Recycled Polyester (PCR PET)

Applications

- Uncovered exterior areas
- Interior main and secondary entrances
- Vestibules
- Parking garage
- Loading dock
- Pool areas
- Extension mats
- Customer service
- Elevator lobby and cab
