## **Protect yourself in case of a total loss.**

# Don't be left paying on a vehicle that no longer exists.

The Allstate® Guaranteed Asset Protection (GAP)<sup>1</sup> program helps cover what you owe on your vehicle loan or lease if you experience a total loss before it's paid off.

GAP waives the difference between your primary auto insurance settlement and the outstanding balance owed on your vehicle on the date of loss.<sup>1,2</sup>

## Benefits:

- Provides protection for new and used vehicles valued or financed up to \$100,000
- Reimburses you for your primary auto insurance deductible up to \$1,000
- Waives covered losses up to \$50,000

**Commercial Coverage:** If you drive your vehicle as a means of income, including ride-sharing services or delivering food or groceries, you may not be protected. Ask about our Commercial GAP Addendum.

# You might have to make a payment on a vehicle you no longer have.

If you have a total loss while you're still paying on your car or lease, your auto insurance may not cover it all. Adding GAP can help prevent you from paying out of pocket, even on a covered loss.
