SP-5514 TOUCH POS SYSTEM
ADVANCED POS FUNCTIONALITY WITH STYLE

The Partner Tech SP-5514 touch screen terminal packs POS functionality into a modern, sleek design that compliments the décor of even the most stylish restaurants and retail settings. With five color options to choose from the SP-5514 compliments any store style and design.

POS that Works Almost Anywhere
The SP-5514 features a small footprint that can be used even where space is limited. The all-in-one offers options to add a full complement of peripherals including a card reader, fingerprint sensor, and NFC/RFID scanner, to keep counters uncluttered.

Not Just a Pretty Face
The SP-5514 has been designed to optimize workflows at the checkout. The 14-inch-wide, 16:9, PCT touchscreen makes it easy for your staff to use – even new employees can use intuitive touchscreen interfaces efficiently almost from day one.

Flexibile Interface
The SP-5514's design allows more flexibility to change the interface depending on your device requirements, allowing a variety of configurations using serial, USB, and Optional powered USB 12V*3 / 24V*1 for the retail market.

SPECIAL FEATURES
Bezel-free 14″ screen with projected capacitive touch (multi-touch)
Dust-and spray-resistant front panel (IP65)
Supports up to 8GB RAM
Multiple I/O configurations available

OPTIONAL
