**II. Other information:**

1. Reasons of loss or inadequate profits:

Your Company is a 24 month old start up in relation to business of providing financial products through our online technology platform and our mobile applications. Initial Phase of a startup goes in creating scalable IT Infrastructure, spend on branding and marketing activities to attract more customers, build skilled manpower for carrying business operations. All the above activity requires investment. The result of these investments is high growth of customer acquisition. Revenue from the newly acquired customers come subsequently but most of the cost incurred to onboard them is incurred before they are acquired. That's precisely the reason for your company posting operating loss for the Financial Year FY 17-18.

2. Steps taken or proposed to be taken for improvement:

Your company is taking various steps to improve efficiency and productivity which will thereby help the company to turn in profits. Our rising customer base, continuous efforts on improving our product and experience and consistent improvement in call centre productivity has helped bring down acquisition cost considerably. On the Technology side our efforts

to virtualize Servers; Using cloud infrastructure helped us to bring down the cost. We are also taking efforts in improving Support Staff efficiency by automating processes. All these efforts are helping us grow the business and improve efficiency.

3. Expected increase in productivity and profits in measurable terms:

It is difficult to forecast the productivity and profitability in measurable terms. However, the Company expects the strong growth and the improved financial performance in the coming years.
