

# How do I open Demat account online?

An individual 5paisa Demat account can be opened online only if the mobile number is linked to the Aadhaar card.

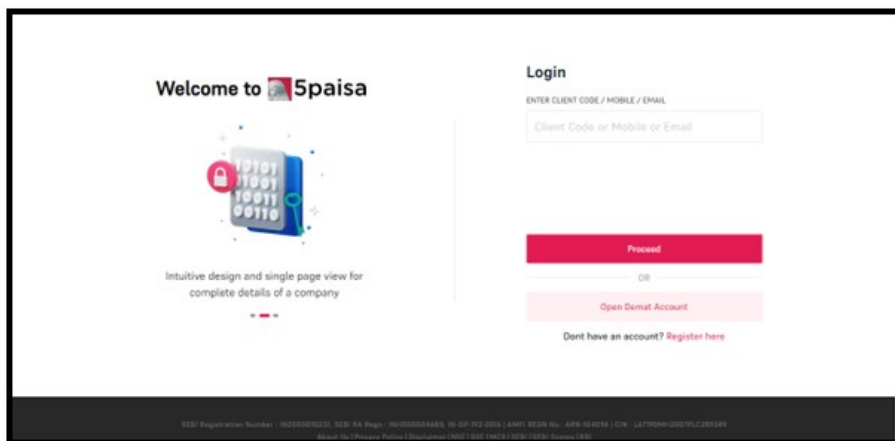

For opening an account, visit [here](#) or download the application from [play store](#)

Follow the below steps to open your Demat account with 5paisa-

## Step 1: Registration of Mobile Number and Email ID

1. Enter your mobile number and accept the terms and conditions then click on **Register**
2. Enter the OTP that you receive on your mobile number
3. Enter your Email ID and verify it by entering the OTP that you receive on your Email ID

**Note:** Only 1 account can be created with the same Mobile number/Email ID

## Step 2: Verify your Aadhar and PAN details

Once your Mobile Number and Email ID is verified, enter your PAN card number and date of birth as per your PAN card.

Open demat account & get fabulous gift

500 people crossed this stage in last 1 hour

### Your PAN is your Identity

Permanent Account Number (PAN) [Verify](#)

Date of Birth(DDMMYYYY) [Verify](#)

[Proceed](#)

**Interesting Facts**

- Smart investors take just 30 seconds to cross this stage
- Watch carefully while entering PAN number. Some people jumble up the characters and hence get the error
- 5th character in the PAN number is the 1st character of your surname or 1st letter of the name in case of HUF

**Any Doubts?**

**Why PAN detail is important?**  
It's a mandatory requirement for opening a Demat account as per market regulator SEBI.

**Are my PAN details safe with your website?**  
Yes. We use accredited partners such as NSDL and UTI. This sensitive information is stored in an encrypted format and not shared with anyone.

### Step 3: Documentation

Post verification of PAN card you will get an option to Login Digi Locker for Aadhar and PAN verification

1. If your Aadhar is linked with mobile number, then click on “Continue” and enter your Aadhar card details
2. If you do not have Digi Locker, click on “Skip”. Then you need to upload your PAN card and Aadhar card documents manually

## Digilocker

A Government Recognised Paperless Storage for all Documents

*"DigiLocker is a digital locker facility provided by the government. It allows all Indian citizens to store scanned or digital formats of their documents."*

Don't have digilocker account? [Click here](#)

**Interesting Facts**

- "DigiLocker is a digital locker facility provided by the government. It allows all Indian citizens to store scanned or digital formats of their documents."
- "DigiLocker is an online digitisation service provided by the Government of India under its Digital India Initiative to access authentic documents from cloud storage."

**DigiLocker : A Government Recognised Paperless Storage for all Documents**

**Any Doubts?**

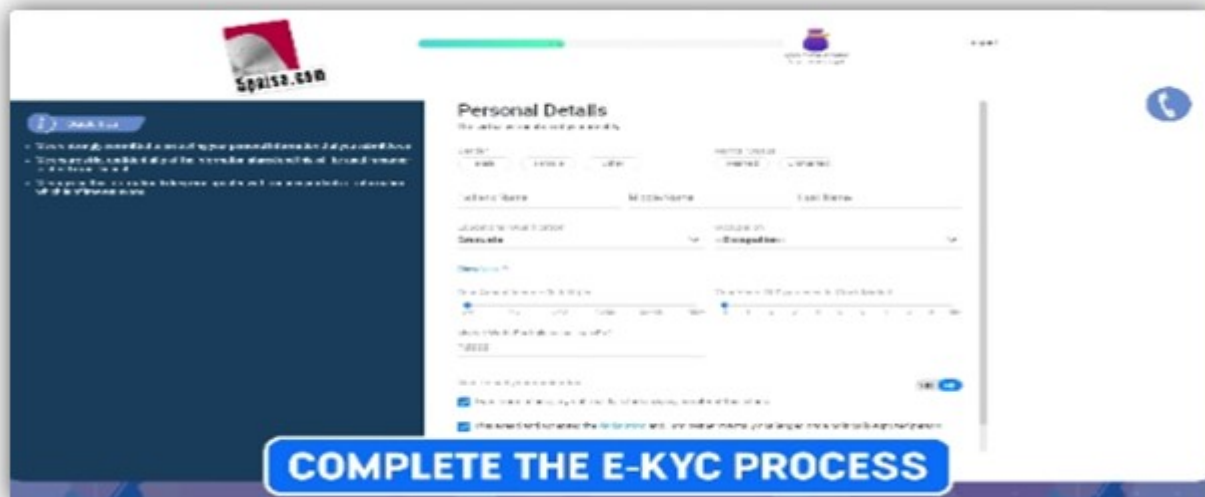

**Should I allow 5paisa to access my Digilocker account?**  
Allowing access to your Digilocker account makes the account opening process seamless. It is 100% safe and just another

### Step 4: Bank and Personal Details

1. Once you upload the documents, enter your Bank details which includes your Bank account number, IFSC code, Account holder name for verification.

**Note:** Only personal bank account should be added. If you have a Joint Bank account, you need to be the first/primary holder of that account

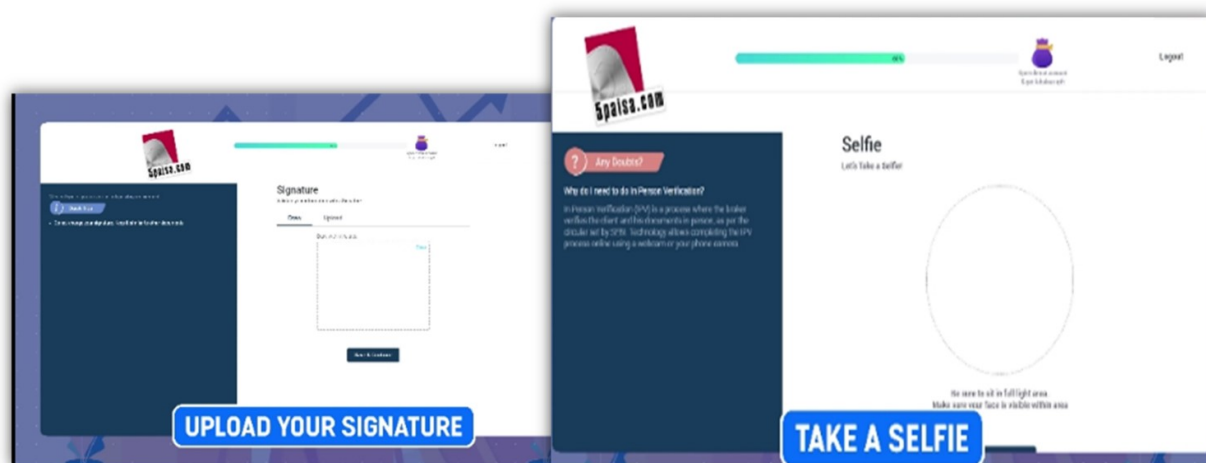

2. Now you need to enter your Personal Details which include your Name, Father's name, Income range etc.

A screenshot of the 5paisa mobile app's 'Personal Details' form. The form is titled 'Personal Details' and includes fields for 'First Name', 'Last Name', 'Date of Birth', 'Gender', 'Marital Status', 'Income Range', and 'Education'. There are also checkboxes for 'I am a resident of India' and 'I agree to the terms and conditions'. A blue banner at the bottom of the form reads 'COMPLETE THE E-KYC PROCESS'.

## Step 5: Biometric Verification

Once you enter your personal details, you need to click a live selfie and upload it. After uploading the selfie, you need to do an E-sign in the space given on your screen.

1. While taking a Selfie avoid wearing a cap, mask or sun glasses to avoid any rejection.
2. When you upload the signature it will be your default signature in 5paisa. For any Online/Offline procedure you have to use the same signature to avoid rejections

Two screenshots of the 5paisa mobile app. The left screenshot shows the 'Signature' screen with a 'Sign' button and a 'Done' button. The right screenshot shows the 'Selfie' screen with a 'Take a Selfie' button and a 'Done' button. Both screens have a blue banner at the bottom that reads 'COMPLETE THE E-KYC PROCESS'.

## Step 6: E-Sign

You need to digitally sign your form by filling up the e-sign form with your Aadhar card details using NDSL website approved by the Government. Once you enter the OTP that you receive your account opening process will be completed and the account will be activated in 24-48 working hours.

**Note:** If your Aadhar card is not linked to your Mobile Number you need to complete the account opening process through offline mode by contacting [support@5paisa.com](mailto:support@5paisa.com)
