

Important Caution Notice for customers and public at large.**Beware of fraud/unauthorized WhatsApp Group, fake applications impersonating 5paisa Capital Limited**

Date:02-03-2026

Dear Customer,

This communication is issued in accordance with NSE Circulars Ref. No. **NSE/INSP/61754** dated **April 25, 2024**, and **NSE/INSP/65224** dated **November 25, 2024**, in the interest of investors and customers of **5paisa Capital Limited** (hereinafter referred to as “5paisa”, “we”, or “us”).

We would like to alert you to a growing trend of fraudulent activities involving scammers impersonating 5paisa through a fake social media group listed in “**Annexure A**” below. These entities are unlawfully using 5paisa’s name, logo, and trademarks, along with forged certificates claiming to be issued by SEBI or Exchanges. They are also impersonating our Whole Time Directors, Independent Director(s), CEO, CFO, key managerial personnel, employees, and officers with the intent to deceive and defraud investors.

A common tactic used by these fraudsters is adding investors to WhatsApp groups that claim to offer “exclusive investment opportunities.” These groups feature polished promotional materials, forged documents, and fake SEBI authorization letters to create a false sense of legitimacy. They promote misleading investment schemes such as “5paisa OTC Account,” “5paisa Co-investment Programme,” “5Paisa 7th Investment Plan,” “5Paisa Co-Private Equity,” “5Paisa Group Institutional Stock Trading Record,” “Meal Time,” “Join Strategy Operation List,” “Raman’s Opinion,” “2026 Bulls Rise Investment Profit Plan” and IPOs, all fraudulently presented as authorized or endorsed by 5paisa. These claims are completely false and intended to deceive and defraud unsuspecting investors.

Unauthorized algorithmic trading platforms such as “Indian Trading Mart,” “Algo Master,” and “Algotech” have been falsely using 5paisa’s name and logo on their websites to claim affiliation with us. We hereby clarify that 5paisa has no association with these platforms, their representatives, or any schemes they promote. Please verify the authenticity of any offer or individual claiming affiliation with 5paisa. We do not offer market-linked assured or fixed-return products.

Also to protect yourself from falling victim to their scams, we advise the following precautions:

1. Read NSE press releases here: <https://www.nseindia.com/invest/advisory-for-investors>
2. Be cautious when sharing personal information.
3. Verify legitimacy of any offers or schemes.
4. Always do thorough research before investing.
5. Use strong passwords and change them regularly.
6. Never share passwords, OTPs, or PINs; enable two-factor authentication (2FA).
7. Be careful when transferring funds to third parties.
8. Report suspicious activity immediately to local authorities and notify us at +91 89766 89766 or support@5paisa.com.
