

# Supplement Facts

Serving Size 1 Scoop • Servings Per Container 60

**SUGGESTED USE:** Add 1 scoop to 4 oz of liquid and shake (best) or stir well. Drink quickly because of normal thickening.

**IMPORTANT:** Immediately follow with 8 ounces of water. Take in late afternoon or evening (best) between meals. Additional servings may be taken if necessary as directed by a healthcare practitioner. Store tightly sealed in a cool, dry place.
