

Great opportunity for a Southern California Turn-Key Licensed Recreational & Medicinal Delivery Business located in Imperial County (Population of over 180k) which is less than 2 hours away from the San Diego County Market (Population of over 3M). The Business is not limited to making deliveries just in Imperial County, one can make deliveries as far as logistically possible within the State of California. Less than 2 hours away from San Diego County, and less than 3 hours away from Riverside & Orange County. With these close proximities the delivery business can have a wide delivery radius. The Business is fully licensed both on the local and state level.

Currently, the business is operating but the owner is looking to sell at license value. The simplicity of home delivery provides the convenience that many consumers and patients appreciate with the benefit of quality cannabis products. Cannabis delivery businesses play a critical role in the state and have now been labeled an essential business, creating a large demand for more.
