Logan Sideboard

The Classics

The Logan Sideboard is a Hepplewhite design and an elegant addition to any dining room. The bowfront shape has a four-piece crotch Mahogany top, a Rosewood border and a shaped edge. The doors and drawers feature the same exotic veneers with both Holly and Ebony inlay lines. The top center drawer locks. The top drawer is fitted with a silver liner. The pair of doors at each end offer open storage. The tapered, fluted legs are accented with rosettes and cuffs. The pulls, key escutcheons on drawers and paw feet are standard in Polished Brass.

Wood Species: Mahogany
