

# Rhode Island Study Island Programs

Study Island is a data-driven standards mastery solution designed to help K–12 students master content specified by the Rhode Island Grade Span Expectations, Next Generation Science Standards (NGSS), and the Common Core State Standards (CCSS). Its high-impact, high-value learning programs provide proven academic support through practice, immediate feedback, and built-in remediation to improve students’ performance in core skill areas. Paired with an intuitive, real-time data dashboard, educators can easily track student progress and differentiate instruction to continually drive student achievement.
