## Louis XVI Dining Table

### Louis XVI

A fine representation of Karges craftsmanship, this table is constructed of hand carved Walnut solids with a Burly Grafted Walnut field and a Circassian Walnut border. We hand paint a black fineline between the border and the field. This table has three 20" leaves to extend it to 132". For an oval version see 310.

**Wood Species:** Walnut

## Dimensions

**Width:** 72" (182.88 cm)

**Height:** 29" (73.66 cm)

**Depth:** 48" (121.92 cm)

**Open Width:** 132" (335.28 cm)
