Facets Slim Chest

Facets

Facets Petite accent case.

The unique proportions of this well-designed case is ideal for any room. It will place well in a hallway, alongside an occasional chair or home office. The two door case features a Greek Key motif base and a flat frame around the doors. These can be accented in a contrasting color. This version features flat frames, Greek key pulls in antiqued brass. Finished in Grosse Pointe (62) and Gold (79). This case includes an adjustable wood shelf. Dual finish and multiple hardware options are available. Please specify finish and hardware upon ordering.
