Waterfront Lounge Chair, Outdoor - by Dale Campbell

Designer Series

Made from Cypress for outdoor use, the Waterfront Lounge Chair was designed by Dale Campbell as part of Kindel's Designer Artist Series. The Waterfront Lounge Chair was originally designed in Oak with Maple and Mahogany versions that followed. Designing Northern Michigan homes, Dale has add the chair in Cypress to allow for a perfect addition to outdoor living spaces. The flowing curves and narrowing back combined with the relaxed pitch allow for the ideal repose. It is available in five stains and sealed with an exterior clear coat to endure the weather.
