Morgan Sideboard

The Classics

A stunning example of Federal design, the serpentine shape is graced with a figured Mahogany top and drawers and doors of Crotch Mahogany with a Ribbon-Stripe Mahogany border. The detailed corner fan inlays on the doors and drawers are made of Satinwood. The Holly and Ebony checker pattern inlay is a beautiful detail on the base of the cabinet. There are two locking doors with open storage and two locking drawers with silver liner in top drawer. Fancy inlaid bell flowers appear on case columns, and the legs have Holly inlays and a Satinwood cuff. Polished Brass hardware is standard.
