This timeless design is hand crafted of hand carved Mahogany with Swirl Mahogany veneers. The impressive hand carved ribbon ornament on top can be omitted for a cleaner, more transitional look. An array of options are available for the headboard panel. Also available is the option of a low foot board that entails side rails, a foot rail, and slats for a mattress set. It comes standard with Swirl Mahogany but can be ordered with cane or a variety of upholstery options. For Queen version see 318, for a King Bed see 319.
