American Chippendale Petite Cabinet **Dimensions**

18th Century American Chippendale

The Chippendale Petite cabinet is constructed of Mahogany and has a beautiful display of Swirl Mahogany on the doors and ends with a Tulipwood inlay on the frieze. There are three adjustable wood shelves but it is frequently sold with the bar interior option, that features a shaped glass shelf, mirrored back and a laminate work surface. Also available in a Petite Curio (187)

Wood Species: Mahogany

Width: 40.5" (102.87 cm)

Height: 61" (154.94 cm)
