Thomas Breakfront with Pediment

Dimensions

The Thomas Breakfront with pediment exhibits all of the exacting detail and superior craftsmanship for which Councill is known. It features glass doors with mullions on the top section and a base section with drawers and doors of Mahogany with Satinwood borders on all. At 56 inches wide this china cabinet is perfect for a smaller dining room. There are interior lights and six glass shelves in the top section and one adjustable shelf in each end section. Medium contrast on inlays is standard. Polished Brass hardware is standard.

Width: 58" (147.32 cm)
