Louis XVI Dining Table with Racetrack Top

Master Works

A fine representation of Karges craftsmanship, this table is constructed of hand carved Walnut solids with a Burly Grafted Walnut field and a Circassian Walnut border. We hand paint a black fineline between the border and the field. This table has three 19" leaves to extend it to 135". For a rectangular version see 309 and a smaller, round version, see 305.
