Mark Console Table

Dorothy Draper Collection

Dorothy Draper designed the lobby of the Mark Hopkins Hotel in 1952. The signature lamp table design with C-curved legs is reproduced in this stylish Cherry console table. The Mark console table features a slip-matched, veneered top with a dramatic, angled Cherry rim. The two pedestals each have two C-curved legs like the original. Several round dining table and one rectangular dining table carry the C-curved legs design element. See 88-013, 88-014, 88-015

Wood Species: Cherry
