Van Day Sofa

Truex, Metropolitan, Designer Series

Billy Baldwin was the dean of American interior decorators. When he wasn't working on commissions for the likes of Cole Porter, Billy Rose and Jacqueline Kennedy Onassis, he found time to execute a wonderful 3-seater for his colleague, mento and friend- Van Day Truex. Crafted of solid Maple with a eight-way hand-tied coil spring seat deck. It features a button-tufted single seat cushion and three loose back cushions.
