Dorothy Draper Console and Curio

Dorothy Draper Collection

The original of this curio cabinet and console was designed by Dorothy Draper for The Greenbrier Hotel in White Sulphur Springs, West Virginia and Kindel has adapted the scale for today's environments. The Chinese Chippendale inspired top features shelves for books or display items and the back panel can be painted a variety of colors or covered in fabric. The console base features curved legs, two drawers and is available as a Console Table (88-022). The console and curio are made of Cherry and can be finished in wood or any painted lacquer finish. Brass ring pull hardware is standard. Nickel hardware is also available.

Wood Species: Cherry
