Concorde Round Coffee Table Paint

Metropolitan

Combining a lasting love affair with Paris and a fondness for meticulously worked timber in all its forms, Greg Natale presents the CONCORDE collection of tables. Embracing the robustness of timber and the changing qualities of stained and painted wood finishes – Natale has taken the idea of ornamentation to its most minimal conclusion whilst delivering on elegance. The even, triangulated step detail that crowns each leg, imbues the range with personality and interest yet allows the weight and assemblage of the timber beams and legs to remain hero. Concorde presents a European sensibility combined with the strength of Kindel's craftsmanship with just a hint of Natale's trademark contemporary flair. This top is crafted to display color with Maple triangulated legs. Dual finish is standard. This table is not suitable for a stained finish.
