Louis XVI King Headboard with Ribbon Carving

Master Works

This timeless design is hand crafted of hand carved Mahogany with Swirl Mahogany veneers. The impressive hand carved ribbon ornament on top can be omitted for a cleaner, more transitional look. An array of options are available for the headboard panel. Also available is the option of a low foot board that entails side rails, a foot rail, and slats for a mattress set. It comes standard with Swirl Mahogany but can be ordered with cane or a variety of upholstery options. For Queen version see 318, for a King Bed see 319.
