Waterfront Lounge Chair by Dale Campbell - Oak

Designer Series

The Waterfront Lounge Chair, designed by Dale Campbell as part of Kindel's Designer Artist Series, is both masculine and feminine in design with large arms and wide front stance that give way to the tapering curves and narrowing back. The lattice adds warmth to the over-sized arms, and the relaxed pitch creates secure and comfortable seating. Also available in Mahogany (331) for wood finishes, and Maple (333) for all painted lacquers. For a companion ottoman, see Waterfront Ottoman (34).
