Neoclassic China Cabinet

Neoclassic

This distinguished china cabinet is surrounded by a substantial crown molding inset with a carved egg-and-dart molding. The four half-round columns are topped by hand carved capitals. The Gothic-style door frets frame the lighted interior. The top section has nine adjustable glass shelves. A touch sensor on the right door center hinge controls the dimmer lighting. The doors below have overlaid diamond pattern. Behind the two center doors are two tray drawers with a silver tray in the top drawer. All shelves are adjustable, and all doors lock. Gilt leaf accents are optional at the top and base of the columns. Limited Stock.
