Semi-Circular Commode

Neoclassic

Kindel's semi-circular Mahogany commode features one door that is framed with lamb's tongue molding. The hand-carved waterleaf design on the lower legs and the ball at the base of leg can be gilded as an option. There is one center door that locks. The interior features one adjustable shelf. The escutcheons and the rosettes at the top of the legs are solid brass. A one-piece inlaid line separates the center top from the cross-banded Mahogany border.
