Empire Susanna Recamier

Master Works

Timeless and classic. This recamier displays a hand carved leaf and rosettes on the reeded arms that terminate in a carved foot with an upright bell flower. A bead edge carries from the foot and flushes into the reeded front apron. The center front has a low relief carvings of leaf and medallion and ribbon. The dramatic shape of the Susanna allows for a design statement as well as a perfect spot for a read. Limited Stock.
