Waterfront Chair-and-a-Half by Dale Campbell

Designer Series

The success of the Waterfront Lounge Chair has motivated Dale Campbell, designer for Kindel's Designer Artist Series, to design the Chair-and-a-Half. The same flowing design and lattice accents panels exist in a more spacious, 52-inch wide chair. Made of Oak, the chair is available in any of our Oak finishes. Also available with an accompanying bench, see the Waterfront Bench (35).
