French Hunt Table with Plank Top

Master Works

The Karges French Hunt Table was inspired from a French Regence Library table. This table, crafted from solid Walnut and American Walnut veneers, displays the romantic shape of the French Regence period while crossing into a more relaxed urban luxury design with the plank Walnut top. Especially beautiful with our a la rustica technique finishes (as shown), the Hunt table is available in all Karges Walnut and painted finishes. For larger inlaid top see 724.
