Performance & Design
With a generous 42L capacity, the Westpoint WMS4225EGNI microwave with grill has room for family-sized dishes, pairing 1100W of microwave power with a 1200 to 1400W grill. Use it to reheat and cook in minutes, grill on its own for golden finishes, or choose one of two combination modes to cook and crisp at the same time, with 11 power levels to suit every dish.

A silver front framing a black door and body gives it a sleek, modern look on any worktop. Seven auto cook menus, from popcorn and potatoes to chicken, beef, pork and frozen pizza, make everyday cooking simple, while express cook buttons, three memory settings and a child lock add convenience and peace of mind.
