Mario Lamp Table

Designer Artist Series

The Mario Lamp Table is a version of the Mario Twins, the bunching coffee tables with removable trays, designed for Kindel by the legendary, Mario Buatta. For over 50 years, Mr. Buatta has designed beautiful homes and furniture to complement them. The scalloped edge of the top is identical to the Mario Twins but is not a removable tray. There is a lower shelf for storage. Gold or silver painted accents are standard. Available in all painted lacquers or a wood finish. Shown in 75 Grey base, 73 Indigo top and silver accents. Custom colors are available. For matching bunching coffee tables, see the Mario Twins, 38-866.
