## Stuyvesant Armchair

### Kindel Classics

The Sheraton inspired, shield back armchair features a swag motif on the banister that drapes over the back of the chair. The flow of the swag is accented with hand-painted pin striping that follows from front to back. The chair is upholstered on the outside back. The sculpted, teardrop-shaped arm is hand carved. Welt base is standard. Spring seat construction is standard.

**Wood Species:** Cherry

**COM Required:** 3 yards for 2 chairs
