## Concorde Sideboard

### Concorde by Greg Natale

Combining a lasting love affair with Paris and a fondness for meticulously worked timber in all its forms, Greg Natale presents the CONCORDE collection of tables. Embracing the robustness of timber and the changing qualities of stained and painted wood finishes – Natale has taken the idea of ornamentation to its most minimal conclusion whilst delivering on elegance. The even, triangulated step detail that crowns each leg, imbues the range with personality and interest yet allows the weight and assemblage of the timber beams and legs to remain hero. Concorde presents a European sensibility combined with the strength of Kindel's craftsmanship with just a hint of Natale's trademark contemporary flair. The Concorde Sideboard is crafted of Maple solids and veneer. A single adjustable shelf is behind each door. The bead detail can be

## Dimensions
