Dorotheum Sofa

Dorothy Draper

Dorothy Draper designed the original of this sofa for the café at the Metropolitan Museum of Art. (The café was later renamed the Dorotheum Café in her honor.) Kindel's reproduction is faithful to the original and adapted to fit in private spaces. The curved back slopes gracefully to seat height. Two 20" throw pillows are standard (not shown). The plinth base is available in wood finishes or painted lacquer.

Wood Species: Maple

COM Required: 16 yards
