Waterfront Bunching Table by Dale Campbell

Designer Series

To coordinate with all of the Waterfront seating presented by Dale Campbell, the Bunching Table was designed with similar bold forms and curved elements. The table features a pull-out shelf in the top and one lower shelf for storage. Highly versatile, it can be bunched as a pair for greater surface space. Made of Oak, the Waterfront Bunching Table is available in all of our Oak finishes. The Waterfront Bunching Table is part of Kindel's Designer Artist Series.
