Spider Chair

Truex, Metropolitan, Designer Series

Along came a spider. Unexpected and built to stay that way, our Spider Chair will surprise 21st Century sensibilities by infusing any space it is in with a dose of Georgian propriety, inspired by an original George III armchair as interpreted by Ms. Elkins. As always, Truex presents us with a tantalizing counterpoint to the status quo. Inspired by the original George III chair used by Frances Elkins. Exposed White Oak frame. French natural brass nailheads trim the back and seat. Turned stretchers. Available in Oak finishes.
