Double Pinwheel Chest

Dorothy Draper

Kindel adapted the Double Pinwheel Chest from the original that Dorothy Draper originally specified in her work at the Arrowhead Springs Hotel in the San Bernardino Mountains of Southern California. Large pinwheel drawer pulls made of cast brass in the shape of a flower, characterize this chest of drawers. In the basic style of Chinese Chippendale, the Pinwheel Chest features four drawers with split bamboo molding around each drawer. Made of Cherry and available in wood or painted finishes. Painted accents on moldings are optional.
