Performance & Design
The Westpoint WMS2922EGN is a 29L microwave with grill that brings 900W of microwave power and a 1000W grill together in a compact countertop design. Reheat, cook and defrost in minutes, grill for a crisp golden finish, or use one of two combination modes to cook and brown at the same time, with 5 power levels for everyday control.

Its mirror finish door and black body give a sleek, modern look, while the simple control knob and digital display make every setting quick to choose. Eight auto cook menus, from pizza and pasta to fish and popcorn, take care of the timing for you, and the child lock keeps the controls safe.
