Walnut Modern Square Lamp Table

Metropolitan

A vintage modern design collection reminiscent of furniture designs from the 1940s and 1950s. The collection styling is casual sophistication. The designs are modern, smart proportions, clean lines and include square and round shapes. The tables feature American hardwoods and veneers in a natural finish highlighting the woods rich grain patterns and hand polished creating a smooth and welcoming touch sensation.

Square lamp table with a 1-3/8” thick top in flat cut walnut veneer. Table legs and stretcher are solid walnut. The base design interior leg resembles the shape of a chalice.
