

COUNCILL

1611

Hepplewhite Console

The intricate inlays of this console table are superior examples of Councill craftsmanship. A figured Mahogany top is offset by a Satinwood edge band. The shaped top and apron have a bow front and concave ends. There is a Grecian inlay of Satinwood on the center apron. The square, tapered legs feature Satinwood inlays at the top of each post and stringing along each leg. Medium contrast is standard on all inlays.

Wood Species: Mahogany

Dimensions

Width: 39" (99.06 cm)

Height: 32" (81.28 cm)

Depth: 11" (27.94 cm)
