Tudor Place Serving Sideboard

Master Works

The original of this refined, Georgian revival sideboard resides in the parlor of Tudor Place. The curved front has two inlaid, frieze drawers flanked by two deeper drawers. Below the drawers are doors faced in highly figured swirled Mahogany that open to reveal an ample interior. The legs, typical of this great period in American design, taper gracefully into spade feet. Kindel has crafted this adaptation of Mahogany solids and veneers with the finest brass hardware.
