Chelsea Drinks Table

The tripod drinks table was designed by Robert AM Stern Architects in New York. The top is hexagonal and features a tiered, lower shelf on the single pedestal. Both the shelf and the top are designed meticulously with a tray edge. The table is made of Cherry solids and features a pie-shaped, flat-cut, Cherry veneer top. All veneers and solids are hand selected by Kindel.

Wood Species: Cherry

Dimensions

Width: 13" (33.02 cm)

Height: 26" (66.04 cm)

Depth: 13" (33.02 cm)
